OPINION

Plaintiff filed this lawsuit asserting a variety of tort claims against the defendants. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's motion to proceed in forma pauperis be granted, and that his case be dismissed for lack of subject matter jurisdiction. Also before the court are plaintiff's objections to the recommendation. After an independent and de novo review of the record, the court concludes that plaintiff's objections should be overruled and the magistrate judge's recommendation adopted.

An appropriate judgment will be entered.

DONE, this the 28th day of December, 2018.
